

“Experienced, practical, thoughtful, client-focused and responsive.”

Chambers Global, 2021

Dechert advises asset managers, private equity firms and financial institutions on all aspects of their business and is a leader in litigation involving the highest levels of commercial risk, including white collar, securities litigation, product liability, antitrust, arbitration and intellectual property.

Our lawyers are thought leaders embedded in their respective industries, with notable experience in financial services, fintech, life sciences, ESG and cybersecurity.
