Dear Ms. Burke:

As Chair of the Fellows of the American Bar Foundation (ABF), it is my great pleasure to notify you that the ABF would like to honor you with the status of Honorary Fellow. As one of only 14 Honorary Fellows of the ABF, you are being selected for your generous commitment to providing pro bono services to the ABF. We extend our gratitude to you for your dedication to supporting the organization. Please find enclosed a few small tokens of our thanks.

As you may know, the ABF is among the nation's leading research institutes for interdisciplinary empirical study of law. The ABF serves the legal profession, the public, and the academy through cutting-edge research, publications, and programs that advance justice and the understanding of law and legal processes.

The Fellows comprise a global honorary society of lawyers, judges, law faculty, and legal scholars who have demonstrated outstanding leadership in the profession and service to society. Fellows provide support to sustain the ABF's scholarship that advances justice and the understanding of law.

Please let me know if you have any questions or need additional information. Congratulations!

Best regards,

Hon. Eileen A. Kato
Chair, ABF Fellows
