Services

Financial Services and Investment Management > Investment Funds: Europe >
Investment Funds and Investment Companies > Private Funds >
Regulatory Compliance >

David Henshaw focuses his practice on financial services and investment management matters with an emphasis on the structuring, establishment, management, marketing and restructuring of investment funds, including hedge funds, UCITS funds and private equity funds. He also advises on service provider documentation.

Prior to joining Dechert, Mr. Henshaw was a lawyer in the asset management and investment funds department of a tier 1 Irish law firm. His previous experience also includes completing a secondment to the London-based EMEA headquarters of a leading US asset manager where he advised on general corporate, regulatory and compliance matters in respect of their UCITS and AIF products.
