### Services

International Arbitration > Litigation >

Santiago Rojas Molina\* focuses his practice on international commercial and investment arbitration, with a focus on matters involving Latin America.

Prior to joining Dechert, Mr. Rojas Molina worked in Colombia in private consultancy in matters of constitutional, public and international law, as a Professor at the Sergio Arboleda University of Bogotá, and as an advisor at the National Agency for the Legal Defence of the State.

### EXPERIENCE

- **A South American Autonomous Municipal Government** in an ICC arbitration commenced by a Spanish Consortium related to the construction of a tramway line.
- **Colombian investors** against a South American State an ICSID arbitration relating to the expropriation of investments in the transportation industry.
- **A group of Costa Rican and Dutch investors** against a Central American State in an ICSID arbitration arising from the construction and development of an ecotourist resort.
